Dear friends and family,

With this verse in my head and heart, I recently went into surgery for some shoulder repair work. I was comforted from fear and knew His peace. But, can you imagine the daily fear and lack of comfort a little child would feel when both parents have died and there is next to nothing to eat and maybe not a place to sleep that is safe? Desiring to care for such children and others in needful situations and to share God’s love and care for them is something God placed in my heart years ago, nourishing it and leading me to the Rafiki Foundation. Many of you have heard me share about Rafiki’s wonderful work in Africa, but if this organization is new to you or you want to learn more, please go to the website: [www.rafiki-foundation.org](http://www.rafiki-foundation.org).

To those of you who have shared your financial gifts to Rafiki on my behalf, I humbly thank you. There are other ways you can partner with me in this calling: prayer is primary and is greatly felt and appreciated; also you can open your home to your friends and family so that Rafiki’s vision and work can be shared. Please speak to your Sunday schools, pastors, and Bible study leaders about Rafiki and share my letters and contact information with them to let them know my desire to share Rafiki with them.

God has led Rafiki to do more than feed, house, educate, and share and live Christ before these orphaned and vulnerable children in the Rafiki Villages. Bible study material has been developed by Rafiki for daily use by EVERYONE in the Rafiki Village—all studying and learning the same lesson. This material is now being shared for use by the African Partner Churches in their church schools where, prior to this, there had not been any written Bible curriculum at all.

*Please continue prayer for healing, opportunities to share Rafiki, and more to respond to God’s call to serve Christ through Rafiki.*

Love,
