September 2006

"Before they call I will answer; while they are speaking I will hear" (Isaiah 65:24 NIV).

Dear Family and Friends,

It is so wonderful to witness the many ways the Lord is working and preparing us for Africa. We have been giving and selling possessions accumulated over the past thirty plus years. God has blessed us with many opportunities to share the work of the Rafiki Foundation, our call, and His testimony in our lives. When we tell folks we are moving they always ask, "Where?" and that leads us to share about what the Lord is doing through Rafiki—raising helpless children without hope to be godly contributors in their country in Africa. During our garage sale we put out a display of brochures with our recent newsletter which led to many folks learning about Rafiki. It was a wonderful opportunity to share God's work in Africa through Rafiki.

We gave a presentation at our home church in August. We were thankful and encouraged by the numerous attendees, by the many questions that were asked, and by the great interest that was shown. We displayed products we had purchased at the Rafiki Exchange, as well as information about Africa and the Rafiki Foundation. Our information table was well visited. Praise the Lord!

Our home is now for sale and we have had several showings. One particular couple from New York seemed very interested in our prospective work with orphaned children in Rafiki Village Malawi. What a blessed encouragement from the Lord we had that day as we stood in our driveway, held hands, and prayed with perfect strangers. What a gift from God these two dear people were; our hearts were encouraged and blessed.

We just received an e-mail from the Rafiki Home Office. Ken has been asked to assist Tim Yoss with the construction project in Rwanda. It was beautiful to see how the Lord went before us and cleared our travel schedule and appointments to enable Ken to serve at this time. Ken will go to Rwanda on September 8th and return on the 18th of October. We are so thankful for your prayers. What a testimony of God to see how the details have developed. Amazing !! *Please be praying that the construction will remain on schedule and the Rafiki Village Rwanda will soon be operational.*

We need you to partner with us to offer help and hope to orphans in Africa. We are seeking people who will commit to pray regularly as well as establish a monthly Rafiki Prayer Group. Financial support is also needed as we are unable to leave for Africa until our support is fully raised. We appreciate you who have shown your support thus far, and are praising the Lord for how He is putting our support team together. We are praying we will be able to leave for Malawi, Africa in January. We thank the Lord for you. Praise God from whom all blessings flow!

In Service to Him and His,

Ken and Bev
